Forged flanges

MS slip-on flange

Slip-on raised-face flanges in mild and carbon steel, forged and CNC machined, to ASME B16.5, EN 1092-1 and IS 6392.

Product code	KF-FL-SO
Material / grade	IS 2062 E250 / ASTM A105
Sizes	½″ to 24″, Class 150, 300, 600, PN 10, 16, 40
Minimum order	200 pcs
Lead time	10 to 15 days
Packing	Wooden pallets, 50 to 100 pcs each

Specifications

Standard	ASME B16.5 / EN 1092-1 / IS 6392
Pressure class	150 to 600 lb
Facing	Raised face (RF), flat face (FF)
Surface finish (face)	125 to 250 AARH
Bore tolerance	+0.5 / 0 mm
Coating	Rust-preventive oil or black paint

Standards and certificates

ISO 9001:2015, IS 6392, ASME B16.5

Typical applications

Pump and valve bodies, Water and sewage lines, General process piping
